This Committee responds to the September 23, 2015 RFAI, with response due October 28, 2015, as follows: As described in the Form 99 filed with the 8/27/15 Form 24 at issue, the expenditures reported were all nationally distributed communications that did not reference or target any specific state's primary election. Consistent with the reality of the disbursements and the Commission's proposed interpretive rules on reporting nationwide independent expenditures in presidential primary elections, the Committee reported these as national expenditures for the 2016 GOP national nominating convention. As there were no state-specific expenditures included in the original Form 24, no amendment has been filed.
